*A \$300.00 hook up fee is required for each utility (water, sewer, electric) for new construction or a property that had services disconnected and is requesting to be reconnected.

**A deposit of \$400.00 is required for rental customers. All applicants shall be required to accompany their application with a service deposit which may be held indefinitely by the Village to guarantee future payment of any utility bill. The \$400.00 deposit will be returned after moving or can be applied to the last month's utility bill. At the request of the homeowner, the Village may return a deposit after one year of on-time payments.
